# HiT Entertainment Online

We've taken everything children love about Hit Entertainment and put it all into one super website: [www.hitentertainment.com/portal/us/](http://www.hitentertainment.com/portal/us/) All of their favorite friends are here - from Angelina to Barney to Bob to Thomas! Plus you'll find cool new **games, videos, music, exclusive activities, and the latest character news.** while your kids are having fun, you can rest assured that they're enjoying the same rich, inspiring content that **parents** around the world have trusted for decades.

## The Place Where Parents Connect!

Looking for creative ideas to keep your little one busy? Look no further! This section of our website is brimming with games, projects, recipes, and activities that will get the whole family doing, learning, and having fun!

All of the HIT friends have something special to offer. Build something cool with Bob. Learn to dance with Angelina. Get safety tips from Fireman Sam. Or share a gentle lesson of friendship, kindness and co-operation with Thomas. The best part is, you can chat with other parents, join in discussions, and share ideas, too!

Are you ready? Let's connect!
